

Northeast Ohio Correctional Center

2240 Hubbard Rd, Youngstown, OH 44505

To the Honorable Arthur J. Schwab,

My name is Dorothy Snipes and I am the Program Facilitator USMS at North East Ohio Correctional Center. Joshua Williams is my Assistant including the "GO FURTHER" substance abuse reintegration program at this facility. Joshua has completed this as well as Alcoholics Anonymous and Narcotics Anonymous. Joshua has continued this positive work experience by completing over 30 other programs from the GTL (Global Tele-Link) which is every program that this facility has to offer.

I first became acquainted with Joshua in November of 2021 when I arrived on this unit and there were no programs available. Joshua spent a lot of time and energy developing a self-help program for the detainees. He walked into my office seeking help and support after exhausting every other administrative opportunity available. I was so impressed with his knowledge and the energy that went into his proposal I spoke with my AW and made him my assistant.

In all my 7 years of education and over 20 years in the corrections have I ever been as impressed as with this young man. He has been one of the most exceptional and extraordinary individual that I have ever had the pleasure of working with. He has gone above and well beyond his duty in helping everyone whenever he can. I believe him to be a rehabilitated man who is ready to return to community. It is my greatest hope that He will continue this course and accomplishes all of his hopes and dreams of community service.

Sincerely,

Dorothy Snipes
